6919 – Temp AM Route Changes

Dear Parent/Guardian

Due to the ongoing national driver shortage within the bus and truck industries and added delays in training new drivers because of delays in the DVLA and DBS systems we are having to amend timings of routes to run back-to-back with other school runs to make sure children get to school.

Staff also self-isolating following government instruction is also a factor in shortages as well as keeping your children safe and reducing the COVID risk.

We will be varying the delays on routes to minimise disruption to any one specific group of children.

We will be operating the following timetable in a **morning only** on 6919 service, **afternoons will be unaffected**,

08:25 - Ancaster Village Hall
08:28 - Sudbrook, Fir Tree La Jct
08:32 - Carlton Scroop, Newark La End Jct
08:35 - Normanton, Church Bus Stop
08:39 - Caythorpe, Old Lincoln Rd
08:41 - Fulbeck, Cliff Rd, Hare & Hounds Pub

We are aware this will make the kids late for school, however currently we have no choice and have made both the school and Lincolnshire County Council aware. If you can please have your child at the bus stop 5 minutes before these times this will speed up the process of getting to school with minimal delay

Should we be able to bring services back to normal we will do.

We are sorry for any inconvenience caused.

Director
