If you cannot collect your results

Pupils are strongly recommended to collect their results in person.

If you are unable to collect your results, there are a number of options available to you:

- If you would like any other person (including family members) to collect results on your behalf you must provide the Exams Office with email authorisation **before 30th June**. The nominated person must bring a copy of this authorisation or a signed note, along with proof of identity, on results day. Results **cannot** be issued without these guidelines being followed.
- Alternatively, you can pre-arrange email transmission **before 30th June**. Please be aware that we will only be able to email results to your **school email address**, and must have received prior written authorisation to do so. We will not be able to action any requests to email results received on the day.
- Lastly, you can leave a large stamped addressed envelope with Reception so that your results can be posted to you.

Results cannot be given out by telephone under any circumstances.
